

Q. Details of my astrological chart are as follows -

Date of birth :06 Feb 1979.

Time of birth : 1:12 am

Place: Belgaum (Karnataka, India)

My friend's details -

Date of birth: 03 July 1979

Time of Birth : 1:55 am

Place: Trivandrum (Kerela, India)

I have been divorced once and want to be very careful in this case. I have manglik dosh ..

I need to know remedies for it. There is also a Bakut dosh if I compare my chart with my friend's chart. I need more details about what is Bakut dosh and what is the remedy.

1. Dear Friend,

Your N/R/L are Rohini(2)/Taurus/Libra

Presently you are running Rahu/Ravi/Moon dasa

Your friend's N/R/L are Hasta(2)/Virgo/Taurus

Presently he is running Rahu/Moon/Moon dasa

I have prepared both the charts and gone thru them.

In your chart Mars is posited 4th from Lagna 9th from Moon sign and 2nd from Venus sign. Since Mars is in 4th from lagna and second from Venus you are a Mangalik. However the dosham gets cancelled as the Jupiter is aspecting Mars, ravi and Mercury. Jupiter's aspect of Mars cancels the Kuja Dosham

In his chart Mars is posited in Lagna 9th from Moon sign and 11th from Venus sign. Since Mars is posited in Lagna he is also a mangalik. However the Dosham gets cancelled as saturn is posied in 4th house from Lagna.

(Kuja Dosham gets cancelled if Saturn is posited in 1,4,7,9 and 12th houses from lagna. Sarwartha Chandrika-Vol.II P.405)

So both are non mangaliks and are free to marry.

Asta Koot guna matching was done for both. Both got 25 points out of 36 points while 18 points are the minimum. However important Gunas such as Bhakut guna and Vasya kuta have drawn blank. Guna table is attached for easy reference.

In addition to ashtakoot matching other important aspects are matched as detailed below:

Distance between kuja and Venus, Mercury and Jupiter and Ravi and moon from the girl to that of boy in the horoscopes are 7,7 and 9, which are not 6,8,12 stanas. So this matching is ok.

When lordships of 1, 5th and 7th houses of girl and boy are considered the result

Is: 1 house 5th house 7th house

Girl; Libra/Venus Aquarius/Saturn Aries/Mars.

Boy: Taurus/Venus Virgo/Mercury Scorpio/Mars
(Friends) (Friends) (Friends)

The important relationships of lagna, Panchama saptama lords have totally tallied. Considering Dosha sthanas of 1,2,4,7,8 and 12 positions from Lagna, Moon, and Venus the total doshas of the girl and boy are 6 and 8 respectively. Since Boy's Doshas are more than that of the girl, this is ok.

Rasi Kuta or Bhakuta: If the Rasi of the boy happens to be the 2nd house from that of the girl, and if the Rasi of the girl happens to be the 12th house from that of the boy, all kinds of evil, unwanted results will follow. But if the Rasi of the boy falls within the 12th from the girl's or the Rasi is the 2nd from that of the boy's it foresees longevity for the couple. If the Rasi of the boy is the 3rd from the girl's there will be misery and sorrow. But if the Rasi of the girl is the 3rd from the boy there will be happiness. If the boy's Rasi falls in the 4th from that of the girl, then there will always be great poverty; but if the Rasi of the girl happens to be in the 4th from the boy there will be great wealth. If the boy's Rasi falls in the 5th house from the girl unhappiness can be expected. And if the girl's Rasi is in the 5th house from the boy's, there will be enjoyment and prosperity. Where the Rasis of the boy and the girl are both in the 7th houses mutually, then there will be health agreements and happiness. If the boy's Rasi falls in the 6th house from the girl's there will be a loss of children, but if the girl's is the 6th from the boy's, then any progeny will prosper.

The number of units for Rasi Kuta is 7 (seven).

Exception:- When both the Rasis are owned by one planet or if the lords of the two Rasis happen to be friends, then any malefic effects attributed to the inauspicious placement of any planets is cancelled out.

According to Madhvacharya, the following effects of the relative positions of the two signs (of the bride and the groom) that are bad:

- (i) If the man's Rashi be II from the brides - loss of wealth.
- (ii) If the man's Rashi be V from the brides - loss of progeny.
- (iii) If the man's Rashi be VI from the brides - sorrow, disease, troubles, and separation.
- (iv) If the man's Rashi be III from the brides - grief.
- (v) If the man's Rashi be IV from the brides - enmity.
- (vi) If the man's Rashi be VI or VIII from the brides - break of marriage.

However if the lord of the signs of the two be one and the same, or if the two lords be mutual friends, it is not to be rejected.

Similarly, if there be agreement in respect of Vashya and Vedha, the last flow could be ignored. The exception to Dvidvadasa (2nd and 12th) and trines: These two kinds of relationships between the natal signs of male and female are generally highly injurious in spite of the man's star being Maitra (8th) from that of the bride. According to Brhaspati a male born in the 7th sign from that of the bride (Sama-Saptama) is exceptionally good in spite of the lords of the two signs being mutually inimical. (M. Ramakrishna Bhat, Essentials of Horary Astrology, page 134-135.)

Above is the Explanation of the rasi kuta or bhakuta.

In the present Case Boy's Rasi (Virgo) is 5 rasis from that of the Girl (Taurus). To have Rasi kuta the distance is to be 7, 9, 10 and so on.

However the Rasi Lords Venus (Taurus) and Mercury (Virgo) are friends. So the

Bhakuta is in agreement. So in AstaKoot guna matching all gunas except Vasaya Guna has matched.

Excepting Vasay Kuta all other aspects have fully matched. So the pair has the maximum matching and therefore are eligible for marriage. The Marriage between the pair is recommended. They will have good matrimony with best wishes.

In view of the above facts and major mismatches as pointed out, the marriage between the pair is not recommended.

2. Dear Member:

You were born under Rohini nakshatra, Rishabha rashi, and Tula lagnam. You are currently under Rahu dasa Sun bhukti.

Your friend was born under Hasta nakshatra, Kanya rashi, and Mesha lagnam. He is currently under Jupiter dasa Jupiter bhukti.

Coming to your match, you get 26 out of 36 points of compatibility which is good. You had asked about Bhakut matching. Bhakut means clashing. If this compatibility is not there, the luck of marital life can be impacted. In this case, there could be a feeling of repression or emotional cold-war between the couple. However, as the other factors of compatibility are good, you may manage the situation by suitable adjustments that could be decided upon between yourselves if you enter into marital relationship.

In the man's horoscope, the 7th lord is in the 3rd house with the 5th house lord Sun indicating unconventional marital relationship and possibility of love marriage. Venus positions of both horoscopes are opposite to each other. The same is true for positions of ascendant and Mercury. This indicates strong attraction between the two persons on a physical, emotional, and intellectual way. BUT, as the Sun positions are 6-8 with respect to each other, kindly note that the underlying basics of life and core principles might clash in a close relationship. For one thing, you are a person who thrives on friendship and can never hate anyone completely (you may even still be on talking terms with your ex's friends and sometimes even the ex himself without any mal intention), whereas this man is a home-creature and inwardly insecure, and jealousy could creep in on certain occasions. So, unless you are sure that practically this man is not of a jealous type (though astrology shows that inclination), you should be wary of this. This man is sensitive whether you realize it or not, and hence you should take care not to hurt his feelings/ tender sentiments. His mother will be most important for him (of course he will love his wife also). From a numerological point of view also, 3 and 6 are basically different numbers and to live a harmonious life lot of adjustments might be necessary on a day-to-day basis as the relationship matures in the long-term.

MOST IMPORTANT: This relationship has a 60% chance of success, and it is upto you (both of you) to make it a success. The current period is not auspicious for marriage as per both horoscopes. Kindly wait till October 2008 to finalize the marriage plan even if you go wish to go ahead. This incubation period might help you to understand the dynamics of the relationship better. Please do not make the mistake of assuming that good friends can become good marital partners (especially you are a person who can be friendly with everyone and are so noble at heart). If

the waiting period convinces you that he is the man for you, and he also is willing to accept you as partner, kindly go ahead after October 2008.

3 Dear,

I analyzed both of your rasi chart, current proposal looks good.

You have mentioned that you have mangalik dosham there is some dosham in your rasi chart i.e.your lagna is vrichika. The birth time is in rasi sandhi (legna sphuta is 00-50-17) in the 7th house of Legna moon is staying with the glance of kuja,(In rasi chart kuja is in the 3rd house of legna According to bhava kuja is in4th house,) In the 8th house the navamsaka of sukra and kuja are staying Kuja in midhuna or any other papa with the glance of kuja indicates a departure of couples. That is the reason why divorce happened , But there is some good aspects also in your horoscope indicating a good and long family life , I,e Guru is staying with uchabala in the 9th house (bhagya bhava) of legna and the moon has uchabala and pakshabala , These aspects indicates a good family life with husband, children and wealth.

About bakut dosham

This is a dosham on the basis of moon's position ie when counting from the chandra rasi of girl's rasi chart 1st to 6 chandra rasi of boy are not matching rasees Here your friend's chandra rasi is the 5th chadra rasi of your's This dosham will effect the life and health of your children But as there are good aspects indicates goodness of children in both of your horoscope the dosam will become mild So you may not fear about it.

The remedies for magalik dosham: Umamaheswara pooja and somavara vrathas

For bakut dosham:

Santhana goparcharchana and guru varavrathas. Wish you a happy marriage life!

4. Dear,

If you like him truly then proceed.....here is your chart

At the time of your birth Libra Ascendant (Lagna) was rising along with Taurus Navamsa and Gemini Dreskana in the second Pad of Vishakha which shows you are a very clever, crafty person who will stop at nothing to amass wealth. And you will be lucky to achieve your ambition. The brightest patches of your life will be during your 21st, 28th and 34th years.

As far as you are concerned, any means are as good as any to make money. You wouldnt mind driving a wedge between two parties if that boosts your coffers. Also, you are very jealous of others property which goads you to do all that is in your power to surpass them.

You are undoubtedly very intelligent, with a bright appearance, knowing how to get on in life. But your arrogance makes you behave rather crudely with people which will not be to their liking; hence some of them may turn hostile, but your strong willed character helps you to crush the opposition at least for the time being. However, they will always nourish hatred towards you.

Hence, you would do well to move cautiously and with tact so that your projects proceed smoothly, instead of treading a rough path. If you learn to behave with more patience and understanding you would stand to gain even more, as you will be able to strike lasting friendships and increase your earnings.

Tact should be the key word for you, whether in business or at home. You will have to adopt a decent approach towards your spouse if you aspire for a happy home. Not only will you make hectic love to your partner, you will also be constantly on the look out for new pastures to satisfy your love lust. It is entirely up to you to strike a balance to ensure an enjoyable homely life.

The professions in which you can shine are dealing with foreigners, travel agency, business and share market.

Due to your hectic and varied activities, you may find your, good health showing signs of deterioration in your old age when it may be afflicted by diseases like congestion of the brain and tumour. So keep a proper check on your diet and visit your doctor regularly.

The numbers that suit you in your pursuit of wealth are 1, 2, 4 and 7, the ones that dont suit you are 3, 5, 6 and 9.

Keep clear of green and yellow colours which are unfavourable to you. Prefer red, orange and white.

Sunday, Monday, Tuesday, Wednesday and Saturday can be considered your lucky days. While Friday will be moderate

His birth details:

With Aries Ascendent (Lagna) rising at the time of your birth, along with Leo Navamsa and Leo Dreskana in the first Pad of Bharani, you are assured of a life of abundant pleasure with hardly any major grief in store.

Having a stout and muscular body, with sharp and piercing eyes, you can lead a fairly luxurious life, having servants at your command. Pious, generous and blessed with long life, you will command the respect of others, especially after the age of 25 when your really lucky period starts in right earnest.

The happy-go-lucky character that you are, you will be given to chain smoking and persue a life of pleasure to the extent of indulging in sexual orgies which may result in your being afflicted by venereal diseases. You will also have to guard against sustaining an injury on the forehead. Otherwise, you will enjoy good health.

For a pleasure loving person like you, the ideal professions to choose from are music and sports, veterinary doctor or optician. You can also try to make money through hotels or being a dealer in skins and hides.

You will be very popular because of your strong will power and courage. you are a person who takes own decisions without seeking others views. But being impulsive, wrong decisions cant be ruled out; so better to take a firm decision after due consideration and then pursue it.

You are indeed a friend of friends. You will go out of your way to give a helping hand to your long list of friends who come from various walks of life.

In spite of your hectic love life, you will remain attached to your family and always try to do the utmost for them. Your spouse will lend you good support and establish an understanding with you, but if it turns sour at any time it will be because of your actions.

Being adventurous and having a creative bent of mind, you will take to a lot of travel in the course of which you will make many new friends at different places.

This will result in your being a spendthrift.

Given to leading a hectic life, you would be well advised to keep clear of intoxicating

drinks and non-vegetarian dishes. The more green vegetables you consume so much the better for you. Also, take plenty of rest and adequate sleep.

Your lucky days are Tuesday, Friday and Saturday. Monday and Friday are moderate but the other two days will prove costly. The lucky numbers which vibrate are 9 and 1, those which attract are 4 and 8. Numbers 6 and 7 are disagreeable to you, while 2, 3 and 5 remain passive.

The colours best suited to you are yellow, golden and red. Black is totally ruled out.

5 Dear,

I have gone through your horoscope in detail and give herewith my considered opinion. It is believed that the principles of astrology were revealed by God Brahma himself to the rishis of yore for the benefit of mankind.

Thus astrology is meant for guidance in the moments of crisis. What God wills can only be revealed and hence the entire process of astrological consultation is based on divine blessings.

You are running the mahadasha of JUPITER and antardasha of Ketu and pratynterdasha of Jupiter up to 10-12-2007.

You have some problems related to marriage as your 7th house is occupied by Debilitated Saturn and 7th Lord Mars in 6th house and this is not good and you have to do some remedies to lessen these problems.

You do not have manglik dosha. 7th house is seen for marriage.

Bhakuta dosha is very important in matching as Bhakuta dosha is not good for family welfare and it also gives problems in increasing the size of family. Practically it gives one problem or another in married life.

Wear a Blue Sapphire of 7.25 rattis (6.5 carats) in right hand middle finger on Saturday evening after doing Saturn Mantra and dip this ring in mixture of 5 items curd, raw milk, honey, sugar powder and ganga water.

“Om praam preem praum sah shanayishraya namah”

Do this mantra 108 times before wearing the ring.

Do charities for old and handicapped persons on Saturdays.

Wear a Red coral of 5.5 rattis (5 carats) in left hand on Tuesday after doing this mantra for 108 times.

“Om kraam kreem kraum sah bhaumaya namah”

Do hanuman Chalisa daily.

I wish you all the very best in your endeavors and pray to almighty to bestow health, happiness, good married life and prosperity on you.

With kind regards

6. Dear,

I have gone through both the horoscopes along with compatibility chart. The point tally comes to 26 point. You are right that there is Bhakoot Dosha. But since both the planets are friend, so here this Bhakoot dosha can be ignored. Even in the Navamsha chart, their planetary friendship has been repeated, and here they are also having Bhakoot Dosha but here it is 2/12 and here also it stands cancelled as Girls moon is behind the boy. So there is nothing adverse in the Bhakoot dosha and such

dosha can be ignored and you stands to get 7 more points and your toally goes to 33. Since, these points are more than average, even in this case, some of the chart having Manglik dosha can also be ignored.

However, in your case, your Mars is in the 4th house but your Maglik dosha can also be ignored, as Mars is aspecting its own house i.e. Aries. Secondly, your mars is being aspected by Jupiter. With this chart, there is no problem. However 2nd house Mars is also considered in South India as Manglik. But in any case, it can effect his speech and sometimes he can lost control over his tongue. This is the only draw back. And this is very nominal draw back. All other parameters are good. Your earlier marriage was also cause of love affairs, and at that time you have not matched your horoscope, which results into sad affairs.

In view of the above, I strongly recommend the marriage. But you should learn to adjust with your spouse to lead a comfortable domestic life. According to me, it is a perfect match and success rates are 99 % rest, all depends upon Almighty. We can only predict. Good Luck.

With best wishes,

7. Dear,

It is a good match. You are right that he is not Manglik and you are. You are also correct that there is Bhkut dosh, which in this case won't lead to differences between you– personal compatibility is very good– but could create some small problems regarding either job or finances after marriage. But overall these are not to worry. I would also advise that now is just a bad time for you to get married, as the transit of Venus is impacting your ninth house. This position of Venus can give you strong attraction to somebody but will always end in heartache if you allow yourself to become too attached– it causes separation and fights. This transit of Rahu can also threaten the longevity of a marriage. I would suggest you to wait until Feb. to take any decisive action regarding your marriage. This will be best for both of you. But in general I would agree to the matching.

8. Dear Sister,

You are not manglik but your mars is placed in 6th house and Mars is the lord of marrige house so you should give strength to Mars that is do Hanuman chalisa daily and mantain good relations with your co-borns and friends.

Bhakuta dosha is not good as it gives ego problems and both persons ideas or thinking do not match and it gives problems in day to day life. Husband and wife quarrels for one reason or another.

9. Dear,

As you said, you have mandalika dosha but he is not having.

And also, your both charts are not suitable for this match. But from nov07 to may 08 yours Ravi period is very suitable for your marriage. You will get remarried early. My advise to you if possible try to devote (Puja) 20 Fridays in Durga / parvati temple. It will reduce the reverse problems and aspects. And increase the favorable position.

Best of luck.

10. Dear,

Your Lagna is Tula and you should be smart looking. The lord of lagan is in 3rd house due to which you would be very hardworking and clear hearted. Jupiter in 10th house is also very good. You should pray before Bhagwan Krishan which is your lord. Your father may suffer from ill health with in a year. 2011 to 2027 is a golden period of your life. There should must be a teacher in your family.

The best upaya for your mangal dosh is to throw 4 kg of sugar in running water on any tuesday and always pray before Bhagwan Kartika.

You would get the life partner of your choice.
